Subject: Re: HF Water Recycling - 5:00 - 5:30 today?

I'll do the call with Jim if he's available. When is Dimock?

Bob, Dimock is still on. Also, Janet's dinner was pushed back to 6:00pm. So I have also offered a 5:30-6:00pm today (our time) to Jim's scheduler but I haven't heard back. You might consider sending him a note? Can you still do 5:00-6:00 if that is the only time Jim can do it or would you do Dimock instead?

I'll be back at 5. Could you get Phil here at 4:45? Also is Dimock going forward at 4:30?

Bob, Janet can do this time and Jim's scheduler is checking with Jim. Can you do this at the end of your meeting there in the car on the way back. After 5:30 we loose Janet and the morning is not good for the Region. Let me know.
